Pool slide report: Fischer Brothers LLL, Chippewa Falls, came to look at the slides and said the Tube Slide needs to be redone. He will send a bid and it could be done this spring. The open slide also needs to be redone. This redo should last 20 years. Some work will need to be done on the little pool in the next several years.

Sportsmen's report: Matt Mathiowetz hopes to have road done by the end of October. The electrical work will be done this week. The exterior bathroom doors at the shelter house have rusted out and will be replaced in the next week or so. The old shingle roof at Prairieview will be replaced with a metal roof at a cost of \$1000.

Trees: A tree was donated to Sportsmen's Park in memory of Jeremy Reinarts. Other trees will be planted. Emerald ash borer has been reported in New Ulm, not confirmed in Sleepy Eye. The City Council will reword the tree ordinance at the next City Council meeting.

Upcoming meetings for the Director: October 18-tree inspector meeting and Dec 10-11, certified pool operators class.

Other Happenings: staining woodwork at the pool, mulching, mowing and tile work at softball and soccer fields. JoAnn has given up hope of hearing from Max Gallery and will a webinar with Perfect Minds on October 10.

Next meeting: November 11 at
