**City of Sleepy Eye Statement on City Manager**

The City of Sleepy Eye (City) has received numerous inquiries related to its City Manager. The City makes the following statement:

Kelli Truver has been employed as City Manager with the City since February 2019. There are no disciplinary actions against Ms. Truver as an employee of the City.

There are currently complaints against Ms. Truver as an employee of the City. The City is considering the appropriate course of action to take related to the complaints.

The City takes any complaints about its employees seriously and takes any appropriate actions to resolve such complaints.

Ms. Truver is currently on paid leave from employment with the City. While Kelli Truver is on leave, Russell "Bob" Elston, Public Works Director, is assigned to perform the duties and responsibilities of City Manager. The City Council is confident that the City will continue to operate effectively and efficiently during Kelli Truver's leave.

Due to data privacy laws, the City cannot share any other information, at this point, related to this matter.
